Hey guys,

[REDACTED] and I have talked and prayed about our current situation and conversation that we had the other night. After much reflection, we both feel it would be best for me to step down at this time and not return after today.

I am available this evening at 8:30 and Morris will join the call. I don't wish to revisit any of the issues that lead to this. Rather I am meeting in order to be helpful in handing off the role.

I'm attaching some documents related to the team that may be helpful in the transition.

Talk to you tonight,

Sheena [REDACTED]
